8 UNITED STATES DISTRICT COURT
9 FOR THE EASTERN DISTRICT OF CALIFORNIA
10

11 ANTHONY CASSELLS,

12 Plaintiff,

13 v.

14 COUNTY OF SACRAMENTO, et al.,

15 Defendants.
16

No. 2:22-cv-1647 CKD P

ORDER

17 Plaintiff has filed a motion seeking an extension of the discovery deadline. To the extent
18 plaintiff wishes to serve more requests for discovery, plaintiff has not explained his delay in
19 seeking a request for an extension of time before the deadline to serve discovery requests expired
20 on April 3, 2023, ECF No. 14, ¶ 6, and does not identify discovery requests he wishes to serve.
21 To the extent plaintiff seeks more time to respond to requests for discovery, he should seek an
22 extension of time with respect to the particular request. For these reasons, plaintiff's motion to
23 extend the discovery deadline will be denied.

24 Also, plaintiff asks that the court order Coalinga State Hospital to permit plaintiff to
25 possess CDs and / or DVDs. Plaintiff anticipates that, pursuant to a subpoena served by
26 defendants, plaintiff's medical records will be delivered to defendants on disks. But plaintiff does
27 not indicate that he will also be provided with disks pursuant to the subpoena and, in any case,
28 any suggestion that the documents will be delivered via disk is speculative at this point. Good

1 cause appearing, plaintiff's motion will be denied. Plaintiff may refile his motion if he does
2 receive relevant documents on disk, and cannot access them without additional equipment.

3 Accordingly, IT IS HEREBY ORDERED that:

4 1. Plaintiff's motion to extend the discovery deadline (ECF No. 19) is denied.

5 2. Plaintiff's motion for an order directing Coalinga State Hospital to allow plaintiff to
6 possess CDs and / or DVDs (ECF No. 21) is denied without prejudice to refileing under the terms
7 described above.
